# UNICON FIBRO CHEMICALS PVT. LTD.

~ Established 1987 ~

## Company Profile

### **About Us:**

A Private Limited Company founded in 1987 by 2 Chemical Engineers from L.I.T. (Nagpur University); Late Shri Uday Chandrashekhar Pradhan & Shri Milind Sapre. The primary activity involved manufacturing of Anti-Static Coning Oil, Knitting Oil & Spindle Oils.

Today; Unicon Fibro Chemicals Private Limited is a 2<sup>nd</sup> generation family managed business having a diversified portfolio as below:

1. Textile Oils.
2. High Performance Methyl Esters such as Methyl Soyate, Methyl Oleate, Methyl Laurate, Esters of Linseed, Castor, High Oleic Ester & Coconut Oil Esters.
3. Biodiesel B100 & Crude Glycerine.
4. Tackifiers (Adhesives, Sealants, Viscosity Improvers, Additives).
5. TMPTO (Trimethylolpropane Triloate).
6. Oil Dispersants for the Agro Chemical & Coatings Industry.
7. Conventional Rust Preventive Solutions.
8. Biodegradable Rust Prevention Oil (Bio-Oil based & Bio-Solvent based).
9. Water based & Water-Emulsion based Rust Prevention Oils.
10. Amides (Coco amides, Soya amides and Oleamides).

The Company has **2 Manufacturing Units**; each with a 100 TPD Capacity located at.

1. Silvassa, U.T. of Dadra & Nagar Haveli
2. MIDC Mahad, Maharashtra

### **Mission Statement:**

Our Mission is to provide consistency in quality of all our Products so that our Customers finished goods meet or even exceed Industry Standards. This is done in a cost-effective manner by responsibly sourcing raw material at the best price along with continuous product innovation at our level; keeping costs under control. Such a scenario mutually benefits both – our customers & us.

### **Vision:**

UFCPL is committed to providing the best quality of formulated oils to Industries in India & the world through its innovative product development by sourcing raw material responsibly & conducting operations through an ecologically sensitive, sustainable and cost conscious approach.

## **PRODUCT CATEGORIES:**

1. Textile Oils
  - a. Anti-Static Coning Oil
  - b. Knitting Oil
2. Methyl Esters
  - a. Methyl Oleate
  - b. Methyl Soyate
  - c. Methyl Laurate
  - d. Coconut Methyl Ester
  - e. Castor based Esters
  - f. Linseed Esters
  - g. High Oleic Esters
3. Biodiesel B100 from Non-Edible Oils  
Crude Glycerin & Refined Glycerin
4. Polymer based Tackifiers
5. Emulsifier Packages for Soluble & Semi-Synthetic Systems
6. Phosphate Esters
7. TMPTO (Trimethylolpropane Triloate)
8. Oil Dispersants for Agro Chemical Formulations
9. Rust Prevention Oils
  - a. Biodegradable Rust Prevention Oil  
(Bio-Oil based & Bio-Solvent based)
  - b. Water based & Water-Emulsion based Rust Prevention Oils
10. Amides
  - a. Coco Amides
  - b. Soya Amides
  - c. Ole Amides

Note: All of the above grades of our Anti-Static Coning Oil are REACH OEKO TEX certified.

## Certifications:

- ✓ Our Textile Oil products are **REACH OEKO-TEX ECO PASSPORT** Certified.
- ✓ We are an **ISO: 9001 2015** certified as per IAS accredited Standards.

## Why Choose UNICON as your partner for growth?

- ✓ Proven track record of delivering Quality Products; Established since 1987
- ✓ Technically qualified team to provide responsibly sourced products
- ✓ Strong R&D capability for sustained product innovation
- ✓ In-House Laboratory with all necessary instruments for QC & QA

## CDMO Services:

**UNICON** can provide comprehensive manufacturing services of high value **“ESTERS Formulated Oils”** that find applications in industries such as Personal Care & Hygiene, Agrochemicals, Coatings & Bio Lubricants.

## Future:

At Unicon Fibro Chemicals, we are continuously advancing green and sustainable chemistry. Our focus is on developing high-performance, bio-based solutions that combine environmental responsibility with industrial strength. Future innovations include Bio Transformer Oils and Bio Hydraulic Oils engineered to deliver superior performance while meeting global standards. We remain committed to creating products that protect equipment, people, and the planet.

### **Contacts:**

We'd love to answer anything you need to know about Esters, Oils & Fats, Rust Prevention Oils & Amides !! You can ring us at the Numbers provided, or contact any of the persons below:

Landline Number: +91 22 3592 1762

Siddharth Pradhan - Director, Business Development & Operations

[siddharth@uniconfibro.com](mailto:siddharth@uniconfibro.com)

Tel: +91 98200 65919

Ashwin Pradhan - Director, Purchase & Operations

[ashwin@uniconfibro.com](mailto:ashwin@uniconfibro.com)

Tel: +91 98202 56209

Ashish Mehta – Sales & Marketing Manager

[ashish@uniconfibro.com](mailto:ashish@uniconfibro.com)

Tel: +91 93273 49450

### **Mumbai Address :**

Unicon Fibro Chemicals Pvt. Ltd.

6-B, Anandnagar, Sitladevi Temple Road, Mahim West, Mumbai - 400 016.

### **Silvassa Factory:**

Survey No. 255/1/3/1 & 255/10/1/3/1, Athal Village, Silvassa - 396230, U.T. of DNH.

### **Mahad Factory:**

Plot No. B, 13/4, MIDC Mahad, Village - Birwadi, District Raigad - 402309, Maharashtra.
